

**FISCAL YEAR 2021-2022**  
**CONTINUATION OF OECE'S FAMILY FEE & PRORATION RELIEF PROGRAMS**

**Center Statement:**

The San Francisco Office of Early Care & Education (OECE) will extend its current policy of eliminating Family Fees for locally-funded: MRA, ELS voucher, and state vouchered families enrolled in your Center program through Fiscal Year 2021-2022. Please do not collect Family Fees for these enrollment categories. OECE will fund these enrollments at the full ELS rate, and in most instances, payments will not be prorated regardless of when the enrollment begins or ends. OECE continues to seek opportunities, when possible, to mitigate the ongoing economic hardships experienced by our families and providers because of the global pandemic.

*Note: Title 5 contracted enrollments will need to continue to pay the required Family Fee according to state funding policy. Given the direct Title 5 contract providers have with the state, OECE is unable to change this policy for Family Fees. There is advocacy to influence state legislature and the California Department of Education to eliminate Title 5 Family Fees for next Fiscal Year.*
